

WORKSHOP

MEN & VIOLENCE:

UNDERSTANDING AND TRANSFORMING OUR LIVES

Thursday 9 December 2021

9.30 a.m. – 12.30 p.m.

For male ministers of the Uniting Church.

Facilitator: REV. JOHN BOTTOMLEY
Program Coordinator, Creative Ministries Network Congregation

The Creative Ministries Network Congregation has sponsored this workshop for up to ten male clergy of the Uniting Church in response to the pervasive effect of men's violence on women and children, exacerbated by the COVID-19 pandemic. John co-led a series of studies with Margaret Neith for the CMN congregation on 'The problem of men's violence'. This seminar draws on feminist insights into three biblical texts, while encouraging men to reflect in a safe environment with up to ten participants on our experiences of growing up male, the impact of work and adult life on being men, and the challenge of discerning and responding to violence in church, family, and society.
